

#### REMARKS

By this Amendment, paragraphs [0054] and [0070] have been amended to overcome the objections thereto set forth on page 2 of the outstanding Office Action. Therefore, it is respectfully requested that the objections to the specification be withdrawn.

Further, the Applicant wishes to thank Examiner Bayerl for the courtesy and cooperation provided to the Applicant's undersigned attorney and the listed inventor Aaron Sauve during the personal interview of December 21, 2005, and during the follow-up telephone interview on January 13, 2006. The present amendments to Claims 1, 5, and 11 are submitted in accordance with the substance of those interviews. Favorable consideration is requested.

More particularly, the current amendment to Claim 1 was discussed with Examiner Bayerl during the telephone interview of January 13, 2006. The Examiner indicated that the changes to Claim 1, particularly with regard to the "one of multiple kinds of objects," should be sufficient to overcome the references cited in the outstanding Office Action. The Examiner is invited to contact the Applicant's undersigned representative if the above summarized understanding is not fully correct. Regardless, in view of such discussion, Claims 5 and 11 are presently amended similar to Claim 1.

As a result of the current amendments to the Claims 1, 5, and 11, it is respectfully submitted that the outstanding rejections under 35 U.S.C. §102(a) and 35 U.S.C. §103(a) have been overcome. Thus, it is respectfully requested that the rejection of Claims 1, 2, 5 - 10, 21, 22, and 26 - 31 under 35 U.S.C. §102(a) over Pennell *et al.* (U.S.#2003/0098883 A1; hereafter "Pennell") and the rejection of Claims 11 - 15, 18 - 20, and 32 under 35 U.S.C. §103(a) over Pennell in view of "Google Toolbar Options Help"

("Google" [http://toolbar.google.com/popup\\_help](http://toolbar.google.com/popup_help) 4 December 2003) be reconsidered and withdrawn.

The current cancellation of Claims 21, 22, and 26-30, without prejudice or disclaimer, renders moot the rejection of Claim 27 under 35 §112, second paragraph, and the rejection of Claims 21, 22, and 26 - 30 under 35 §101. Therefore, the Applicant respectfully requests that these rejections be withdrawn.

#### Conclusion

In view of the current amendments to Claim 1, 5, and 11, as well as the current cancellation of Claims 21, 22, and 26 - 30, it is respectfully submitted that pending Claims 1, 2, 5 - 15, 18 - 20, 31, and 32 are now in condition for allowance. Early and forthright issuance of a Notice to that effect is earnestly solicited.

Respectfully Submitted,

Microsoft Corporation
